

The City of DeBary is committed to ensuring that all persons who may have one or more disabilities has complete access to all the resources, communications and services available to all citizens. The City is currently reviewing and updating the city's website www.debary.org to ensure that both the overall website and our documents posted thereon, are available and provided in alternative accessible formats. In accordance with The Americans with Disabilities Act (ADA) these changes will include design elements with the following accessibility guidelines taken into consideration:

- World Wide Web Consortium's Web Content Accessibility Guidelines 2.0 Level AA (WCAG 2.0 AA) as our web accessibility standard.
- Ensuring to the best of our ability that all persons using assistive technology such as screen readers or TTY have unrestricted access to information contained on our website.
- Providing instructions and web links ensuring that other useful tools and websites such as Adobe Reader and Adobe Flash Player for screen readers are available.
- Providing information for other supported assistive technology.

If the format of any material/content on this website interferes with your ability to access information contact:

City Clerk
Annette Hatch
