The Inspiration

Our mascot and inspiration, Lil G, was rescued by Hush Puppy Haven founder, Jen Adams, back in 2010. Although not a rescue organization, Hush Puppy Haven was born in honor of all the pets who suffer in silence in many different forms, to be their voice, and to provide a safe haven for those in domestic violence situations.

Hush Puppy Haven is collaborating with the Domestic Abuse Council of Volusia County to provide more domestic violence survivors assistance by caring for their pet(s) while they are in crisis.

Our goal is to help ease the emotional stress and worry of the survivor by assuring them their pet will be well-cared for and loved while they begin the healing process; and will be kept safe from harm until they can be reunited.
