FEMA-4283-DR-FL Advisory

October 26, 2016

Matthew Recovery

- FEMA Individual Assistance (IA) has been approved for **Nassau and Seminole** counties. This means that homeowners, renters and business owners in **Brevard, Duval, Flagler, Indian River, Nassau, Putnam, Seminole, St. Johns** and **Volusia** counties may apply for federal disaster assistance for their uninsured or underinsured damages that were a result of Hurricane Matthew.
- The following counties, which had been designated for Public Assistance (PA) to help pay for debris removal and emergency protective measures (Categories A and B), have now been designated for PA permanent repair and replacement, Categories C-G: **Brevard, Duval, Flagler** and **St. Lucie**.
- **Palm Beach County** has also been designated for Public Assistance [Categories A-G], including direct federal assistance.
- A **Disaster Recovery Center (DRC)** is open in St. Johns County at the Wind Mitigation Building, 3111 Agriculture Center Drive, St. Augustine, FL 32092. Operational hours are Monday through Sunday, 9 a.m. to 6 p.m. Closed on Sundays.
- **Disaster Unemployment Assistance (DUA)** is available for residents of **Flagler, Putnam, St. Johns** and **Volusia** counties who lost their job as a direct result of Hurricane Matthew and who do not qualify for regular reemployment assistance benefits. The program also covers self-employed individuals, owners of farms and ranches, farm and ranch workers, as well as fishers and others not normally covered by state reemployment assistance benefits.
- If you receive a letter from FEMA, *please read it carefully and respond if necessary*. Sometimes, FEMA just needs extra documents to process the application. Examples of missing documentation may include an insurance settlement letter, proof of residence, proof of ownership of the damaged property, and proof that the damaged property was your primary residence at the time of the disaster. You may appeal any determination provided by FEMA *in writing* regarding Individual Assistance. Call the FEMA helpline at 1-800-621-3362 (FEMA) or (TTY) 1-800-462-7585 for any questions on the appeal review process and to review your file.
- FEMA cannot duplicate assistance for losses that are covered by insurance. However, you may still be eligible for assistance from FEMA for losses not covered by insurance:
 - If you have a **National Flood Insurance Program (NFIP)** policy and sustained damages from Hurricane Matthew, *promptly* file a “Notice of Flood Loss” with your flood insurance company. Policyholders with a flood loss are also required to submit a “Proof of Loss” (www.fema.gov/media-library/assets/documents/9343) directly to the flood insurance company within 60 days after the date of the flood loss.
- If you are still in need of shelter or have other emergency needs, call **2-1-1** for information.

Registering for Assistance

- FEMA Individual Assistance (IA) has been approved for nine counties in northeastern/central Florida: **Brevard, Duval, Flagler, Nassau, Putnam, Seminole, St. Johns, Volusia and Indian River**.

- This means that homeowners, renters and business owners in these counties may apply for federal disaster assistance for their **uninsured or underinsured** damages that were a result of Hurricane Matthew. There are **three ways to apply**:
 - Online at disasterassistance.gov
 - On the [FEMA Mobile App](#)
 - Calling **800-621-3362 (621-FEMA)** between 7 a.m. and 10 p.m. Applicants who use 711 or Video Relay Service may also call **800-621-3362**. People who are deaf, hard of hearing or have a speech disability and a TTY my call **800-462-7585**. Multilingual operators are available (press 2 for Spanish).
- Keep your contact details current and notify FEMA immediately of any changes.
- If you pre-registered with FEMA before the presidential disaster declaration for Hurricane Matthew, there is no need to register again.
- FEMA assistance will not make you whole again – it won't cover all of your losses – but it can give you a helping hand to recover.
- U.S. Small Business Administration (SBA) low-interest disaster loans are the primary source of federal assistance to rebuild disaster-damaged private property. SBA offers low-interest disaster loans to homeowners, renters, businesses of all sizes, and certain private nonprofit organizations.

Individual Assistance

- **Individual Assistance Registrations**
 - **26,627** individuals and families in the nine designated counties have registered (total registrations, including those in non-designated counties, total **29,154**)
 - Registering with any other agency *does not* register a survivor with FEMA.
- **Individual Assistance as of COB Oct. 25, 2016, if asked**
 - Total approved: nearly **\$8.8 million**
 - Housing Assistance: more than **\$7.7 million**
 - Other Needs Assistance: more than **\$1 million**
 - Applications approved: **2,381** households
- **Inspections as of COB Oct. 25, 2016:**
 - **240** inspectors in the field. Their work – assessing damaged property – helps survivors who have registered for assistance start the recovery process.
 - **13,450** inspection orders have been issued.
 - **10,307** have been completed, (about 77 percent).
- **U.S. Small Business Administration (SBA) Loan Activity as of COB on Oct. 25, 2016**
 - **17,539** FEMA registrations referred
 - **437** applications received
 - **35** loans approved
 - Dollars approved: more than **\$1 million**

NFIP

- As of **COB on Oct. 25**, the National Flood Insurance Program (NFIP) had received **4,750** claims and made advanced payments of **\$10 million** for Hurricane Matthew in the State of Florida.

Preliminary Damage Assessments

- FEMA continues to support its state and local partners in the response and recovery to Hurricane Matthew with teams on the ground in multiple counties today, quickly and thoroughly documenting damage to public facilities to inform determinations of any additional federal disaster assistance.

Disaster Survivor Assistance (DSA)

- **Matthew Activity as of COB Oct. 25, 2016:**
 - **3,676** total homes visited

- **2,224** total survivor interactions
- **398** survivor registrations

Hazard Mitigation Grant Program

- All areas in the State of Florida are eligible to apply for assistance under the Hazard Mitigation Grant Program.

U.S. Small Business Administration (SBA)

- The U.S. Small Business Administration’s disaster declaration covers the counties of Brevard, Duval, Flagler, Indian River, Putnam, Saint Johns and Volusia in Florida, which are eligible for both Physical and Economic Injury Disaster Loans from the SBA. Small businesses and most private nonprofit organizations in the following adjacent counties are eligible to apply only for SBA Economic Injury Disaster Loans: Alachua, Bradford, Clay, Duval, Lake, Marion, Okeechobee, Orange, Osceola, Saint Lucie and Seminole in Florida.
- Second to insurance, U.S. Small Business Administration (SBA) low-interest disaster loans are the primary source of federal assistance to rebuild disaster-damaged private property. SBA offers low-interest disaster loans to homeowners, renters, businesses of all sizes, and private nonprofit organizations.
- Businesses and private nonprofit organizations may borrow up to \$2 million to repair or replace disaster damaged or destroyed real estate, machinery and equipment, inventory, and other business assets.

Debris Removal

- Individual property owners are responsible for debris removal from their private property unless otherwise requested by the state and approved by FEMA.
- Your local government will provide information on curbside pickup and disposal. FEMA reimburses local governments for eligible curbside storm-generated debris removal.
- Separation of debris left at curbside is highly recommended. Examples include: vegetative, electronic goods, hazardous household waste and white goods (refrigerators, washing machines, etc.).

Clean Up Tips

- Please keep in mind the following tips to ensure safe and efficient clean-up:
 - Take photos of any floodwater and damaged items in your home, and keep repair receipts.
 - Call your insurance agent and file a claim.
 - Wear protective gear when using mold-cleaning chemicals or cleaning up.
 - Make sure contractors hired to make repairs are licensed and carry general liability insurance, workers’ compensation and are bonded.
 - FEMA does not recommend or endorse any contractors.
 - Anyone who suspects fraud should call FEMA’s Disaster Fraud Hotline at 866-720-5721, or the Florida Attorney General’s fraud and price gouging hotline at 866-966-7226.
 - The National Association of Insurance Commissioners has developed a free smartphone app for taking inventory and documenting damage in homes after a disaster. “myHome Scr.APP.book” for iPhone or Android is available at www.insureuonline.org/insureu_special_disaster.htm

How You Can Help

- Interested in supporting those impacted by Hurricane Matthew? Here is what you can do:
 - Cash: Financial support to established relief organizations is always the most immediate, useful and versatile way to give. Financial assistance allows relief organizations to meet urgent needs quickly. Click here to give to the Florida Disaster Fund – www.volunteerflorida.org/donatefdf/.
 - Connect: Volunteers are a critical part of a well-coordinated and well-resourced humanitarian response, but potential volunteers should confirm that they are needed

before traveling to impacted areas – do not self-deploy. To see a list of established disaster relief organizations click on the “Partner Agencies” tab at www.volunteerflorida.org/emergency-management.
