*Art in Public Places*  
*Presents*  
*Kathryn Louise*

I am always looking for its beauty, moods, and metaphors. My work is a tension between abstract and realist styles. I seek to emphasize rhythms, lines, patterns and colors to express my connection to the everyday world around me. My best hope is that the images stand simply on their own, and find similar connections in the viewer where words fail.

Our artist on  
display from  
June 1 , 2016 to  
July 22, 2016

Artist Reception  
June 1, 2016 @ 6:00pm  
DeBary City Hall  
16 Colomba Road, DeBary
