*The 17-92 corridor into DeBary is the first impression. Regulation & tax incentives need to be used to make S-17-92 the gateway into DeBary. (business parks, retail outlets like a mall.) Not ware houses, junk yards, bars, repair shops & other dirty OBT type businesses. The current crew in city hall is great & improved over the previous advisory years of Hooker & Co. where the people of DeBary were the enemy.*

*The sign program is an example of the good things that can be done. Let code enforcement do their own. Job not be a tool of some pissed off resident or bar owner to go after their neighbors. The development of 17-92 can't be rushed. It will get here when its time comes. S. Shell Rd is for industry & first*
