I have lived in the area for over 40 yrs. I like the sleepy town but it is time for DeBary to grow up a bit, but do it in a classy, classic way. Do many other similar towns have done this successfully. We need to attempt our town after them. Go with proven ideas.

The negative way to approach things - to me, this is for a city that does not care.

Head off the situation before it becomes a problem!

Proactive is better for everyone!

I would also like to see a more pronounced entrance to DeBary - what LK. Mary has built - wall, flowers, etc. - so you know when you enter the city -

I think the splash pad is great for the kids... what about a YMCA?

Maybe a dog park?

a development similar to Colonial Town Park in LK. Mary - (aka right off I-4) which would give DeBary a functional town center for families to enjoy - something that would draw from other areas as well & promote ridership on the Sunrail, to come TO DeBary, not just ridership to leave DeBary.

Some type of festival like the art/arts + craft festivals that Deland & Mount Dora hold each year - Bring people to our town, put us on the map!
