Paper Plate Sea Horse Craft

You need: paper plate, pencil, scissors, glue, googly eye, paints, shimmer (optional) or shimmery paints or markers, paint brushes.

Directions: Trace the shape of a seahorse alongside the paper plate, using a pencil. Cut the shape out. Paint your sea horse or colorit with markers. If needed, add some glitter.

Glue the googly eye onto the seahorse. If no googly eye, then use a black sharpie. If desired, draw eye lashes.
