Giraffe handprint:

Trace your child's arm and hand minus the thumb. Once completed you can have the child paint or color the "giraffe". The children can then decorate it by adding dots and eyes.

Elephant Craft:

Supplies Needed: Paper plate, Scissors, Glue, White paper, Black sharpie, Paint/sponge or Markers.

Start by cutting the below design. Sponge paint it or use markers with blue or pink and let dry. Cut out two eyes and glue them on. Use the extra piece of paper plate that you cut off and cut it skinnier. Glue it on to make the elephant's trunk! Make a girl version if you'd like with some eyelashes and a bow!
