Work Program (WP): Financial Management (FM) numbers correspond to WP information. Development of the five-year WP is in accordance with Section 339.135 Florida Statutes. FDOT has based this WP on sound, multi-modal transportation concepts and the best available forecasts of costs and funding. As such, FDOT has the financial capacity to embark on projects as they are planned. However, any diversion of state revenues presently dedicated to transportation-related purposes could limit FDOT's ability to finance and deliver this WP. Circumstances, which are beyond the control of FDOT, may significantly influence the stability of this WP. See: www.fdot.gov/workprogram/aboutwp.shtm.
