

TEMPORARY SIGNAGE FOR RESTAURANTS

In order to better support our small business community, and inform residents about deliveries and curbside service opportunities during the COVID-19 State of Emergency, as of March 27, 2020, the City of DeBary will be temporarily allowing restaurants to place additional outside signage that identifies the business as open for carryout and/or delivery service.

The temporary signage should be A-frame (sandwich board) or placard type sign not to exceed 9 square feet in size. Businesses may place up to two (2) signs in front of their business.

Additionally, businesses may temporarily designate one (1) public parking space for curb service pick-up. One additional sign not exceed 9 square feet may be placed curbside to mark the designated parking space.

These allowances will be in effect until the expiration of the current Local State of Emergency or until further notice from the City, whichever may occur first.
