

# DISASTERS HAPPEN... BE PREPARED.

Your disaster supply kit should include a **five to seven day supply** of water, non-perishable food, medication, and other necessity items per person and pet!

[volusia.org/emergency](http://volusia.org/emergency)

## • Drinking water

- One gallon per person, per day
- Half gallon per pet, per day

## • Food

- Three meals per day, per person. Food should be nonperishable, packaged or canned; include milk, cereal and snack foods. Foods should meet the dietary needs of infants, the elderly and those with special needs.

## • Medication/special needs

- Two week supply of medications
- Important papers

## • Baby food, formula, diapers and wipes

- For infants and those with special needs; toiletries and extra toilet paper
